ABOUT ME

I'm looking to start my career as a full-stack web developer, where I can learn by working on real projects and improve my skills in both frontend and backend development. I'm especially interested in building websites that are fast, easy to use, and visually appealing. I want to explore technologies like JavaScript frameworks, APIs, and deployment tools as I grow in this field.

COURSEWORK / SKILLS

- Computer Networks
- Software Engineering
- Data Structures and Algorithms (DSA)
- AI/ML
- DBMS

SKILLS

Programming Languages: C, C++, JavaScript, Python, SQL

Web Technologies: HTML5, CSS3, Tailwind CSS, MySQL (SQL), Vercel, Netlify, WebSockets

Frameworks & Tools: React.js, Node.js, Express.js, MongoDB, Git, Linux

Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), API Development, Database Management

Soft Skills: Problem-Solving, Team Collaboration, Communication, Analytical Thinking

EDUCATION

Bachelor of Technology in Computer Science and Engineering 2022 - 2026

Global Group of Institutes, Amritsar SGPA 7.4

Senior Secondary Education (Non-Medical) 2020 - 2022

P.T.J.M College, Nalanda, Rajgir Percentage- 67%

PROJECTS

Typing Test Website  (Full-Stack - React.js, Node.js, WebSockets) In Progress

Developed a Typing Test web application to help users improve typing speed and accuracy with real-time WPM and error tracking.

To-Do App  (Full-Stack - React.js, Backend - Node.js, Express, MongoDB) In Progress

Developed a RESTful API for a To-Do List app using Node.js, Express.js, and MongoDB. Implemented CRUD operations, JWT-based authentication, and API rate limiting to ensure security and scalability.

EXPERIENCE

91CoderStreet - Full Stack Development

91CoderStreet.com

Part of a 25 people batch for Full Stack Training involving MongoDB, Express, React and NodeJS.

We built a project on Todo App while understanding all the web development techniques.

CERTIFICATES

- Full Stack Development  Udemy
- C++  Udemy

INTERESTS

- Testing
- ReactJS
- Automation
- Cloud Computing
